We want to help.

Please call or email us as soon as possible. We'll do our best to assist you in handling all the details such as caskets, memorials, and a place where you can visit to pay your respects.

Where we are...

Our cemetery and memorial urn garden is located at 1301 S. Kings Highway (F.M. 989), formerly the site of Castle Pet Cemetery.

What We Do:

We offer a wide range of services and products for pet owners in their time of need, after the passing of a loyal friend. Whether you choose a plot in our cemetery, a place in our urn garden, or burial at home, we can supply you with everything necessary to properly honor your beloved pet.

We also offer a variety of books for both children and adults that will help you deal with the grief that comes with the passing of a dear pet.

Our mission:

To provide a peaceful, dignified final resting place for our faithful pets, who we consider as great friends and family members.

Originally opened in 1973, this location has been the area's only pet cemetery, with over 1000 pets memorialized here.
